Stephanie's Academy: 630-896-8277

Tania Pope: 630-921-7550

These classes are taught by Stephanie Clay, a certified Rhythm Works Dance Instructor. These integrative dance classes are specialized and inclusive dance classes for people with individual learning differences and other special needs. We will incorporate dance to support children across the five areas of development including body awareness, body control, and social skills. This is an opportunity to celebrate differences through fun and functional dance movement with evidence based practices commonly used in sensory integration, ABA therapy, kinesiology, and movement safety all to aid in reaching developmental goals.

The special stars 2 offers an opportunity to perform at 2-3 events throughout the year including the end of the year

## Parent & Me /

### Early Intervention

Thursdays, 4:30-5:15 PM

Saturday, 9:00- 9:45 AM
